

NAME

---

DATE

*Today, I embrace the truth*

that **I am a writer** with a story to tell and that there is a reader who wants to hear it. I will **prioritize writing** in my week and show up to those writing times like it's my job (because it is). I commit to **investing my time, energy, and resources** to improving my craft and gaining the skills necessary to reach my story's reader.
